THEATRIUM WINE PROGRAM- FILHO EDITION

Vinska karta koju držite pred sobom nije katalog, nije popis, nije inventar. To je odraz jedne filozofije, jednog puta i jednog pogleda na vino.

Filho je ovu kartu gradio godinama kroz putovanja, razgovore, osobna iskustva u vinogradima, kroz stotine degustacija, kroz nebrojene susrete s vinarima koji stvaraju vina koja nisu samo pića, nego priče, krajolici i emocije.

Ova karta je rezultat izbora, a ne ponude. Svako je vino ovdje zato što je nešto pokazalo: karakter, preciznost, čistoću, stil ili osobnost vinara. Svaka berba je odabrana zato što poštuje terroir, godinu, klimatsku sliku i rukopis podruma.

Filho vjeruje da je vino dijalog između zemlje i čovjeka, između prošlosti i sadašnjosti, između gosta i onoga tko poslužuje čašu. Zato je ova karta sastavljena tako da ne prikazuje samo tržišno najpopularnija imena, nego vinsku istinu regija koje najdublje obilježavaju europsku i hrvatsku kulturu stola.

ZAŠTO OVA VINA? ZAŠTO OVE BERBE?

1. Jer vino mora biti živo, precizno i istinito

Vina su izabrana po jednom kriteriju: autentičnosti. Od istarskih malvazija i dalmatinskih autohtonih sorti, do burgundijskih parcela i njemačkih rizlinga svako vino mora pokazivati identitet mjesta iz kojeg dolazi.

Zato su berbe birane upravo one koje najbolje nose karakter godine: toplije, zrelije berbe za vina kojima paše širina; hladnije, napetije berbe za vina koja trebaju živac i mineralnost.

2. Jer burgundijska filozofija terroira čini srce ove karte

Burgundija je vinska regija koja je najviše oblikovala Filhoov ukus i razumijevanje vina.

Na putovanjima kroz Côte de Beaune i Côte de Nuits vidio je izbliza što znači mikroparcelizacija, preciznost i kontinuitet. Zato su na karti upravo ta vina i ti proizvođači: oni koji rade s preciznošću kirurga i osjećajem pjesnika. Izbor berbi od napetih i klasičnih godina do velikih, zrelih i strukturiranih prati logiku da gost može doživjeti i širinu i dubinu burgundijskog stila.

3. Jer Champagne mora biti elegancija, a ne pozlata

Champagne lista nije sastavljena da impresionira nego da priča priču o stilu. Tu su kuće koje utjelovljuju različite identitete: mineralnost Avizea, kremoznost Mareuila, oksidativne nijanse rijetkih cuvéea, čista energija Blanc de Blancs stilova i raskoš kulturnih etiketa.

Berbe su birane kada je struktura idealna ni premlada, ni preumorna da gostu daju trenutak vrhunske ravnoteže.

4. Jer hrvatska vina zaslužuju ozbiljan prostor

Hrvatska scena je snažna, ali često pogrešno prikazana.

Zato su izabrani vinari koji rade čiste, fokusirane, karakterne stilove, koji mogu stajati uz bok najboljima iz Francuske, Italije i Njemačke.

Berbe su izabrane tamo gdje vino trenutno pruža najviše bilo da treba mladost i svježinu, ili kompleksnost i zrelost.

5. Jer svaka boca mora imati razlog zašto je ovdje

Nema vina iz navike.

Nema vina “jer se mora imati”.

Nema vina za popunjavanje kategorija.

Postoje samo vina s karakterom, vinari s vizijom i berbe koje nose priču.

KAKO ČITATI OVU KARTU

Ona je složena tako da gost danas može popiti čašu koja ga razveseli, a sutra otkriti bocu koja mu promijeni percepciju vina.

Ona je istovremeno pristupačna i ozbiljna: nudi klasike i raritete, vina za spontanost i vina za razmišljanje, vina za stol i vina za sjećanje.

Ova karta nije zatvorena ona se razvija, raste, uči i mijenja, baš kao i ljudi koji je stvaraju.

Filho vjeruje da je vino živi organizam; zato i vinska karta mora biti živa.

Burgundy - Côte de Beaune

Getting your head around Burgundy's classification system

Ok, deep breath. There are general appellations, such as Bourgogne Rouge, and regional appellations, such as Chablis. Village wines come next, naming the best villages, such as Meursault. Next up is premier cru, the second-best vineyard within each village – the village comes first on the label, like Meursault-Charmes. Finally, grands crus, the top wines in Burgundy, from the top vineyards.

Burgundy

Talk to any Burgundy buff and it won't be long before the word 'terroir' crops up. The term, bandied around the wine world, carries so much meaning and weight, and refers to all the natural elements – the geography, the geology and the climate, which together with the winemakers' skills creates a unique vintage. But just when you've got your head around that, up pops the word 'climat', which is unique to the wines of Burgundy. Climat is a precisely delineated vine plot, with its own microclimate, and specific geological condition, shaped by human cultivation over centuries. The Gallo-Romans grew vines here. In the Middle Ages, monks carved up their vineyards into tiny patches, marking their boundaries with dry-stone walls. Along the Côte de Nuits and the Côte de Beaune, home of the greatest Burgundies, there are more than 1,200 such sites, clustered around villages, methods passed down from generation to generation - and this, in a nutshell, is what makes Burgundy so special.

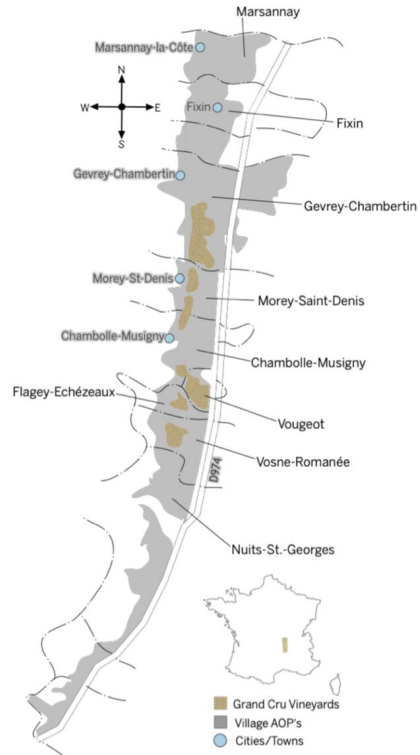

FRANCE

Bourgogne – Côte de Nuits

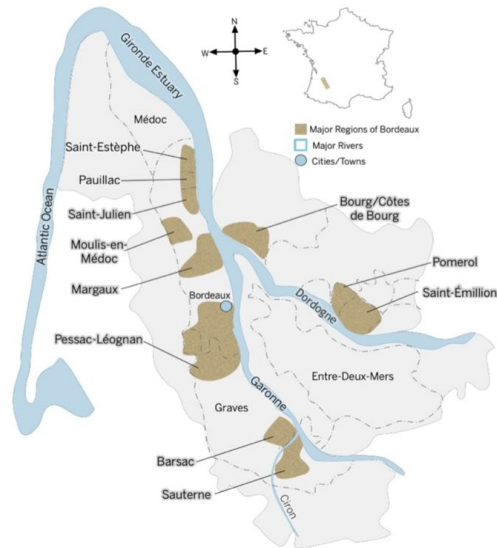

Stretching from Dijon to just south of Nuits-St.Georges the Côte de Nuits is Burgundy's premier area for red wine production, like most of Burgundy its soils are predominantly limestone and marl with clay and sand, near the 47th parallel it's one of the northern most regions to produce premium red wine.

Bordeaux

Ringing the changes in Bordeaux So you thought things hadn't changed much in France's most famous and largest wine region? Think again. There have been fundamental stylistic shifts in the region's wines over the last few decades. Thanks go in part to the simultaneous rise of the consultant and the wine critic (we're thinking of you, Michel Rolland and Robert Parker Jr). Their influence was – still is – massive, prompting an opulence in the wines not seen before. Who cares how these new super-ripe wines age? Not the public, certainly, who don't want to wait three decades to drink it. Yes, the region still lives and dies by the 1855 classification that ranks its top properties, but nearly everyone not at the top thinks this is now past its expiration date. And there's a growing number of earnest producers making laudable wines at artisan level, who are now farming with an eye on organics, and who revere the freshness and integrity that once made 'claret', as us Brits like to call it, so beloved.

"My attitude to wine – apart from my mantra 'drink for mood and not for food' – is based on the Three Ps: Place – where the vineyards are, generally very nice to visit; People – those who produce wine, who are generally good, and if they are bad they will make bad wine; Product – the result of P1 and P2.

Looking back over a lifetime around the Three Ps, I am still totally in love with it all. I have been very fortunate indeed, for wine has brought me more than I ever could have imagined." **Steven Spurrier**
